songs and rhymes for November Classes...

November songs both classes

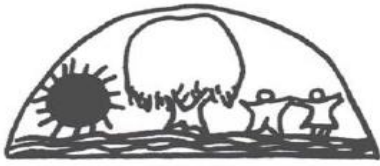

Turkey, Turkey (tune: Twinkle, Twinkle Little Star)

Turkey, turkey, look at you]
please be careful what you do.
Thanksgiving Day will soon be here.
We eat turkey every year.
Go and hide out in the woods.
We'll eat pizza like we should!!

5 Little Hotdogs

5 little hotdogs,
Frying in the pan
Grease got hot
and one went Bam!
(4, 3, 2, 1)
No little hotdogs
Frying in the pan
Grease got hot
And the pan went BAM!

Terrific Three

Tuesday/ Thursday Class

Dear Families,

This month will be a busy month as we learn about healthy habits. We will be learning about making good food choices, how to keep our bodies and our teeth healthy.

On November 10 we will have a special class visitor from Sears Dental Works. They will come to the classroom and present a program on healthy teeth and have some goodies for your child. You are welcome to join us if you like.

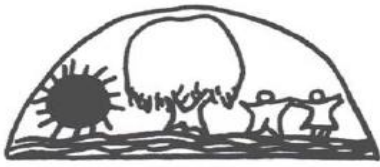

To finish our unit on health we will be going to the Health Exploration Station in Canton on November 15 at 9:30. We will be attending a program on health and have time to play with their interactive health equipment. Remember to sign up for the trip and watch the board for more information.

On November 17 we will begin our unit on Thanksgiving. We will be making lots of turkeys to decorate your home. On November 22 we will hold our Thanksgiving/pizza feast. Your Child will make their own pizza and we will be making a pizza for the adults. I will provide my homemade pizza crust and I will post a sign up sheet for toppings and other goodies for the feast. Parents please plan to join us at 11:00 for the fun.

Upon our return to school we will be learning about our sense of smell. All month we will be learning the color brown, the triangle shape and the letters T and H. As always if you have any questions or concerns at anytime please see me at anytime.

This time of year, my thoughts always go to how thankful I am. I am thankful for your Children. They bring endless smiles and laughter to my life. Thank you for sharing them with me. I wish you a happy and safe Thanksgiving.

Sincerely,
Darlene

Fantastic Four

Monday/Wednesday/Friday Class

Dear Families,

It's hard for me to believe that it is November already. What a busy month we have ahead of us in 4 year.

We will start the month learning about our senses. We will be learning about the sense of hearing, taste, smell, touch and sight.

One of the Children's favorite activities is painting with real turkey feathers. This activity fits in perfect with the sense of touch and November.

We have a special visitor coming in on November 7. Sears Dental Work's is coming to WCCP. They will be teaching your Child about dental health. You are welcome to join us if you like.

The week of November 14 we will be learning about keeping our bodies healthy, proper nutrition and our bones. To further extend this unit we will be traveling to the Health Exploration Station in Canton on November 15. We will be attending the Stuffy program and have time to use their interactive equipment and toys. We will meet there at 9:30. Watch the board for more information and to sign up.

On November 21 we will hold our Thanksgiving/pizza feast. Your Child will make their own pizza and we will be making some adult pizzas. I will be providing my homemade crust and will post a sign up sheet for toppings and goodies. Please plan to return at 11 to join us.

Upon our return on November 28 we will be learning about families. We will be creating family trees and banners. Please send in a picture of your family that we can use in a project. Thank you.

This month we will be finishing our straight letters I and moving on to curved letters U, C, and O. We will continue to build out math skills with graphing and other math activities. We will continue with "who let the letter out" to build our phonic skills. As always if you have any questions/concerns please see me at anytime.

This time of year my thoughts to how many things I have to be thankful for in my life. I am very thankful for your Children. They bring laughter, smiles and hugs. I thank you for sharing them with me and wish all of you a happy and safe Thanksgiving.

Sincerely,
Darlene
